Grades explained:

Rustic:
Rustic wood floor grade characterised by more picturesque pattern of wood, without restrictions on colour variations. Sound knots quantity not restricted. Repaired knots up to 70 mm and permitted sapwood enhance the natural appearance of floor. Cracks up to 5 mm in width and 1/3 in length of board, filled with special filler or polyamide allowed.

Classic:
Classic Wood Floor grade characterized by more vigorous palette in colour, sound or repaired knots up to 40 mm and permitted heartwood which enhances the natural appearance of this classic exclusive floor. The fallen out knots are repaired by gluing in real wood knots to re-create natural looks of wood. Especially in thermo treated floorboards variation in color enhance the beautiful appearance.

Select:
Select Grade wood flooring high grade which displays a more uniform colour and variation in shade. It still exhibits small areas of character which enhance the natural appearance of your exclusive wood floor. Oak Planks are mostly free from knots with max. diameter 8 mm, isolated small sound knots and slight stress cracks are possible but filled with matching color filler.

Premium:
Premium Grade Flooring - Our most uniform and perfect wood grade, natural colour variation, no knots and no sapwoods.
